

The Speakeasy

Bar & Restaurant
at The Mimslyn Inn

The Speakeasy Bar and Restaurant was inspired by the early history of the Mimslyn Inn. This Magnificent structure was first completed in the early 1930's. This was the era of Eleanor Roosevelt, Charlie Chaplin, Katherine Hepburn, and Howard Hughes. But this tavern was not only created to celebrate those characters but also to remember the Speakeasy Life of the Prohibition Era.
